

S.O.L.V.E.

Name: _____ Date: _____

Text: _____

S.O.L.V.E. is a good strategy for you to use when you are trying to predict what will happen next. After each chunk of text you:

Stop and think, and do the following:

Observe all of the important clues in the text, and write them in the first box.

Look for some connection to your own experiences, and write them in the second box.

Verify that all of the clues fit together, and put a “+” in the third box if all the clues fit.

Enter your best guess in the last box.

First stop

Text clues	My connections	+ or -	My best guess

Second stop

Text clues	My connections	+ or -	My best guess

Third stop

Text clues	My connections	+ or -	My best guess

PREDICT THE FUTURE
